COMMUNITY CONDUCT AND DISCIPLINE PROCEDURES

Statement of Principles

Cornell University is committed to the overall educational and personal development of its students, and views the unique experience of living in a residence hall as contributing greatly to such development. To facilitate this process effectively, it is important to maintain an appropriate residence hall environment.

In order to perform its educational function, Cornell University requires mutual cooperation of its members, both in and out of the classroom. Therefore, the residence hall community has an established set of community standards of behavior that are consistent with the educational mission of Cornell University. Included is the regulation of the conduct and behavior of Cornell University community members whose actions may impede, obstruct, or threaten the maintenance of order and/or the achievement of these educational goals.

In an effort to provide our residents with safe, comfortable and just communities, we encourage debate and discourse in the spirit of understanding and promote this freedom with responsibility. This understanding and responsibility includes respecting and being sensitive to the rights of others while not condoning messages or actions that promote hatred, intolerance or violence. Incidents of bias – acts of bigotry, harassment or intimidation directed at a member or group of the Cornell Community based on that individual's or group's actual or perceived national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, marital status, or any combination of these or related factors will be addressed with an educational protocol that helps those who offend others to better understand the impact of their actions on the larger community in which they live.

Cornell University reserves the right to review all alleged violations of the Campus Code of Conduct and/or the Campus Life/Residential Programs House Rules. While it is the goal of the judicial process to educate students about the purpose and importance of abiding by these policies, Cornell University will also issue sanctions by the Judicial Administrator (JA) or educational agreements by Residential Programs staff as appropriate and necessary to ensure continued and/or future adherence. These possible JA sanction(s) include, but are not limited to, oral warning, written warning, probationary status, restriction of privileges, restitution, community service, administrative referral, and re-assignment or expulsion from the residence halls. In addition, the University reserves the right to remove a student from the residence halls pending the outcome of disciplinary action, or to transfer the student to another residence hall at any time when, in the judgment of an authorized representative of the Department of Campus Life, the student has engaged in or threatened acts of misconduct such that his/her continued presence would endanger public order or property, threaten the personal safety of security of others (by acts of physical or mental harassment or other means) or be sufficiently disruptive as to adversely affect the ability of others to pursue their educational goals.

When a contract is terminated due to discipline issue(s) no refund of any housing charges that are billed or scheduled to be billed will be made.

Student Responsibilities

It is the responsibility of each resident to become familiar with all Cornell University and Campus Life/Residential Programs policies, administrative procedures, regulations, and community standards. The university will make every effort to make certain all information is available and easily accessible to students.

In general, each resident should:

- Respect the rights of others
- Respect the property of individuals, groups, and Cornell University
- Observe all Cornell University (see the Policy Notebook for Cornell Community) and Campus Life/Residential Programs (see House Rules) community standards, policies, procedures, and regulations, as well as the laws of the city, state, and federal governments
- Refrain from activities that interfere with the regular operation of Cornell University
- Present identification upon the request of an authorized Cornell University official
- Ensure that guests behave in a manner consistent with and in accordance with Cornell University and Campus Life/Residential Programs policies
- It is the responsibility of each resident to understand the rules and regulations.
- When a violation occurs, it is the responsibility of each resident to meet with the RHD or Assistant Dean when requested. The student must meet with the RHD or Assistant Dean to respond to charges or to provide clarification of the alleged violation.
- It is the student's responsibility to provide any necessary supporting documentation or witnesses on his/her behalf.
- It is the responsibility of each resident to keep appointments. If the student does not attend a scheduled appointment, the appointment may proceed as scheduled with a review of the case and the issuance of educational agreements or sanctions as necessary and appropriate. If there are emergency circumstances beyond the control of the student, permission to postpone an appointment may be allowed.
- It is the responsibility of each resident to comply with university officials by surrendering, when asked by Cornell University staff members and/or law enforcement officials (e.g. Cornell University Police, Ithaca Police), any contraband materials and/or items.

Student Rights

This judicial process is an established procedure that is made known to students. Students have the right to:

- Notification of rules and regulations
- Right to a timely process
- Right to a response
- Right of confidentiality (consistent with law)
(Judicial procedures were adopted from New York University's judicial process on June 6, 2001)

Disciplinary Process

- **Origin of Accusation/Complaints of Specific Violation**
A complaint against a resident may be brought by another resident, a guest of a resident, by a member of the Residential Programs staff, by any affected parties, by other administrative offices or by persons not affiliated with the university. Complaints must be filed in writing with the Residence Hall Director or Assistant Dean, the Residential Programs Office, the Cornell University Police, and/or the Judicial Administrator's Office.
- **Investigation of Accusation /Collection of Information**
The Residence Hall Director, Assistant Dean or his/her designee will investigate all such complaints and/or indications that a Cornell University or Campus Life policy has been violated in the residence hall.
- **Notification to Student**
The Peer Review Board, Residence Hall Director, Assistant Dean, or his/her designee will notify the alleged violator of the specific charges against him/her. The student will be asked to meet with the Peer Review Board or Judicial Administrator's Office to discuss or hear the matter, including the charges, and review the judicial process and procedure. Depending on the seriousness of the infraction by a student, the Judicial Administrator may designate a Residence Hall Director or Assistant Dean to adjudicate code of conduct policy violations.
- **Initial Meeting**
The Peer Review Board, in cases involving the House Rules, and the Judicial Administrator, in cases involving the Code of Conduct, will review the case, including a possible meeting with the student(s) who allegedly violated a policy. The Peer Review Board or Judicial Administrator will collect the facts and advise the student of his/her rights and responsibilities in regard to the judicial process. As a result, the Peer Review Board or Judicial Administrator will then take one of the following steps:
 - Adjudicate the issue in a non-judicial manner at the hall level via the Peer Review Board. The Peer Review Board will facilitate the hearing process through educational discussion. No judicial record would be established/maintained or sanction(s) issued.
-In accordance with the nature of the charges, and provided that all parties are in agreement with doing so, the Peer Review Board may administer an educational agreement.
 - BASICS (alcohol education program) is one of the possible outcomes that the Peer Review Board or Residence Hall Director or Assistant Dean will require.
 - *When necessary, the matter may be referred to the Judicial Administrator, Assistant Director/Residential Programs or Director/Residential Programs, including a summary of prior policy violations.

Medical Amnesty Protocol (MAP)

Cornell's Medical Amnesty Protocol seeks to reduce barriers to seeking assistance when an individual experiences severe intoxication or a serious injury after consuming alcohol. If an individual who receives emergency medical attention related to his or her

consumption of alcohol completes a required follow-up at Gannett, (s)he will not be subject to judicial action if the incident was related to underage possession of alcohol or disorderly conduct. An individual receiving amnesty will not be required to meet with the Judicial Administrator, will not be required to pay for the required follow-up service at Gannett, and will receive a warning rather than a written reprimand. A person in need of medical attention is eligible for medical amnesty on more than one occasion.

An individual who calls for emergency assistance on behalf of a person experiencing an alcohol-related emergency will not be subject to judicial action for the following code violations in relation to the incident: underage possession of alcohol, provision of alcohol to an underage person and disorderly conduct.

During Winter Break all residence halls are closed except the Jerome Holland International Living Center, which is open to international students and other students depending on availability.

Common Area Damage

All residents of a building or complex are responsible for the condition of the common areas. Common areas include, but are not limited to, hallways, lounges, laundry rooms, kitchens, elevators, stairwells, and entryways. Damages or stolen university property from these areas, for which a responsible individual is not identified, will lead to the floor, unit, building, or complex community being billed for the repairs, replacement, or cleaning.

Any information that comes to the attention of CUP concerning the sale, exchange, or transfer of drugs from one individual to another is communicated to public officials. The university cannot prevent federal, state, or local officials of law enforcement agencies from investigating and prosecuting drug law violators.

- Courtesy hours are in effect 24 hours a day. Members and guests of a community are expected to observe courtesy hours and may be asked at any time to limit the amount of noise they are creating.
- Each residential building is expected to define quiet hours at its own discretion. During quiet hours, amplified sound, loud talking in hallways, and other noise or behavior that might prevent others from sleeping or studying is prohibited.

Decorating Rooms

Any student subjected to hazing or having knowledge of

anyone else being hazed should immediately report the incident to the student staff member, the RHD or Assistant Dean in his/her respective residence hall. Individuals who participate in acts of hazing are personally accountable under the Campus Code of Conduct.

Leafleting, Canvassing & Petitioning

Leafleting and canvassing includes activity in which an individual distributes papers (flyers, brochures, leaflets, posters, etc.) from door-to-door, or to people passing by. Canvassing includes activity in which an individual moves door-to-door asking residents for their support in an election or advertising an event. Canvassing and leafleting are not permitted in the residence halls, except for candidates for the Residential Student Congress, Student Assembly, Class Councils or the Board of Trustees on a designated three nights during the campaign period, from 7:00p.m.-10:00p.m. in undergraduate areas and from 6:00p.m.-8:00p.m. in graduate areas, when the following procedures are followed:

- The candidate completes and receives approval at least 72 hours in advance of the event on a Use of University Property Form (UUP); in order that residence hall staff may track who is entering the building, up to three candidates and up to one building for one night may be listed on the UUP. The residential staff will notify the candidate of how to gain access to the building.
- The candidate carries a printed copy of the UUP approvals and presents it upon request to any university staff member.
- The RHD or Assistant Dean determines the appropriateness of leafleting or canvassing taking place.
- The RHD or Assistant Dean notifies the hall/complex of the leafleting/canvassing to take place, indicating that residents may place a sign on their door indicating "No Leafleting/Canvassing" if they do not wish to be approached, and the candidate respects the request not to be approached.
- The leafleting/canvassing identifies the name of the sponsoring candidates and contains no requests for money.
- The leafleting/canvassing does not occur in entry/exit areas or archways.

Petitioning:

Residence hall members are allowed to petition in their own hall or complex under the following rules:

- The resident attends a meeting of the Residence Hall Leadership Organization, notifies the organization of the days and times he/she intends to petition, and receives permission from the organization to proceed.

- The petition subject matter is of a topic that relates to the community in which she/he lives.
- The petitioning does not take place during quiet hours.
- The RHD or Assistant Dean notifies the hall or complex of the petitioning to take place, indicating that residents may place a sign on their door(s) indicating "No Petitioning" if they do not wish to be approached.

Lockouts and Lost Keys

Residential Programs and Service Center / House Office staff will not provide entry to a room for anyone other than a resident of that room, including parents, friends, guests, and/or other individuals. Exceptions may only be made in case of emergency as determined by a full-time Residential Programs staff member.

- Residents are responsible for their building and room keys. Residence hall exterior doors are locked at all times.
- Residents who are locked out during Service Center / House Office hours may obtain a key from the designated center/office. After hours, locked out residents should contact a residence staff member to gain access. CUP will not unlock doors for residents.
- Each resident will receive a voucher for one free lock-out. Service Centers and residence staff will accept this voucher. A \$5.00 charge will be assessed for each additional lock-out.
- Students with electronic access who lose their access card (Cornell ID) need to report the loss to the Service Center or House Office. The student will receive a temporary card that will be valid for 48 hours. After that period, if the access card is not located, the student must obtain a new ID card from University Registrar (B-7 Day Hall). After the 48 hours, a charge of \$15 will be Bursar billed to the student if the loaner card is not returned.
- All lost or stolen keys should be reported to Cornell Police and the Service Center or House Office staff immediately. If the keys are not found within 5 days, the lock core will be replaced at the students' expense. The student will be charged \$40 for a single and \$3 for each additional bed plus a \$30 charge for labor to change the locks. There are no exceptions to this policy.
- Keys may not be duplicated or loaned.

Lofts

Residents are not allowed to use home made or purchased lofting units. Any found in non-compliance will be charged for the removal and are subject to disciplinary action. If a resident wishes to have their bed lofted, it must be done via a work request through Campus Life Facilities staff. Lofting requests where applicable are accepted for 30 days after opening or until supplies run out, whichever comes first.

Motor Vehicles

Storing or parking motorized vehicles in residence halls is not permitted.

Murals

- The Residence Hall Director or Assistant Dean must approve mural designs. If a student wishes to paint a mural he/she must contact the RHD OR Assistant Dean to receive a request form and guidelines. All submissions must include a full-color drawing with the mural request form.
- Failure to follow the guidelines, receive approval, or complete the mural will result in charges to the student(s) for repainting of the wall.

Pets

All students residing in a residence hall other than the Ecology House are prohibited from having pets in their rooms, with the exception of fish that are in tanks no larger than 10 gallons.

- Service dogs are permitted (as determined by the Office of Workforce Diversity, Equity and Life Quality and the Office of Student Disability Services), but not for training or companion purposes. Permission to have a service dog in the residence hall must be approved in advance by Campus Life.
- Due to the environmental focus of the Ecology House, residents are permitted to have pets under specified conditions. Residents must contact the Ecology House RHD for the specific policy and for approval and pet registration prior to bringing any pets into the residence.

Posting

For the convenience of Cornell organizations, please observe the following guidelines when seeking to post advertisements in the residence halls:

- Non-Campus Life (University registered or non-profit organizations) flyers or announcements may only be posted with the permission of Residential Programs staff. No other organizations or groups are permitted to post in the residence halls.
- All flyers must be taken to the Residential Programs Office at 1501 Clara Dickson Hall for approval before they are posted. Poster approval and stamping can be received between the hours of 8:30am and 4pm, Monday through Friday.
- Non-Campus Life organizations must leave approved posters at Residential Programs, Noyes or Collegetown Service Centers where professional staff will retrieve them for posting. Allow 5 business days, prior to the event, for posting.
- Flyers and announcements may be posted on designated spaces only. Residence hall staff will monitor bulletin boards for inappropriate usage. Any materials lacking the name of a sponsoring group or appropriate approval stamp will be removed and discarded.
- Posters should be 8.5"x11" in size. Accommodations will be made for posters up to 17"x24"; organizations should realize that this size will limit the quantity approved for posting.
- Areas that are not to be used for posting include:
 - outside walls of buildings
 - sidewalks
 - stairwells and stairwell doors
 - glass on doors

Return to Residence Hall After Hospitalization

Cornell University requires a safety evaluation to be conducted by Counseling and Psychological Services staff with any student wishing to return to a university residence hall or apartment after discharge from a psychiatric hospitalization. This evaluation must take place upon discharge or within one business day following discharge if it occurs after hours or on a weekend during a housing contract period.

Room Change Requests

- Any resident wishing to apply for a room change must first contact the RHD, ARHD or Assistant Dean. During the first three weeks of each semester, residents may apply for a room change, but requests will not be processed except for direct switches. Once a student receives another assignment he/she must sign a new housing contract. Students are not able to move until they receive authorization from the Housing & Dining Contracts Office. Moving prior to this notification may result in disciplinary action.
- Residents requesting direct room switches with another resident must not move or take possession of the new room until they have received official authorization from the Housing & Dining Contracts Office and all residents involved have signed a new housing contract. Each resident involved in a direct switch must come to the Housing & Dining Contracts Office together to sign new room contracts.
- There is a \$100 fee for student initiated room change requests including direct room switches.
- If a student switches rooms without permission, he/she could lose the right to live on campus and other disciplinary action could be taken.

Room Inventory and Condition Form

Each resident must complete a Room Inventory and Condition Form (RIC) and return it to his/her RA within 24 hours of checking in. This RIC is to be used to record any existing damage to the student's room. Any damages noted during room inspections, which were not recorded on the RIC are the resident's financial responsibility.

Residents are responsible for any damages to their assigned room. If a resident changes rooms or leaves the university, he/she must have a staff member inspect the room before it is vacated. At the end of the academic year, all residents must make appointments with a Residential Programs staff member to complete the May closing process. Appeals to damage assessment may be made only by the resident, via email, to appeals@cornell.edu. Residents who fail to check-out with a staff member forfeit the right to appeal any damage charges.

Safety

- Students are not permitted on roofs, ledges, overhangs, balconies accessed through a window, or permitted to climb the exterior of buildings.
- Hanging antennae, flags, or other materials from the exterior of buildings is not permitted.
- Tampering or non-emergency use of the Blue Light or Elevator emergency phone call buttons is prohibited.
- Use of residence hall windows for the purpose of entering or exiting the building is prohibited and subject to disciplinary action.
- Students may not prop residence hall entrance doors open as this jeopardizes the security of the building.
- A student may not allow access for another person unless s/he is the host for that person or specifically knows that the person is a current resident of the building.

Seasonal Decorations

- Natural evergreen trees, boughs, and wreaths are not permitted in residence halls. Artificial decorations made of plastic may be used and must be clearly marked as being made from a slow burning or a non-combustible material. Metal trees are also acceptable, with illumination by spot or reflective lights only.
- Seasonal lighting must be identified by an Underwriter's Laboratories label or listing (UL).
- Any perishable items used for decoration must be properly disposed of in a timely manner.
- No decorations may be placed on or hung from pipes or sprinkler heads.
- Residents must remove all winter seasonal decorations before leaving at December closing.

Smoking
